1. What is PDGA Europe?

- At present, PDGA Europe is a Steering Committee consisting of the PDGA affiliated Country Coordinators, the PDGA EuroTour Manager, the PDGA International Committee Chair, and the PDGA International Director, all voting members. PDGA Europe is empowered to take Europe-wide decisions involving PDGA Tour, event, membership and related disc golf standards. Certain decisions, including the awarding of Major event status, will require the approval of the PDGA Board and/or Executive Director. PDGA Europe is supported in terms of management, finances, marketing/promotion, and otherwise by PDGAHQ.
- As agreed by the Committee and the PDGA Board, plans to transition the management of PDGA Europe from headquarters to Europe are being developed. A set of documents has been produced by the Transition sub-Committee, which, at time of writing, is under review by the member countries. If the countries reach agreement on the proposal and if a partnership agreement is arrived at between PDGA and PDGA Europe then this transition process will begin by mid-late 2010.
- The PDGA Europe yahoo group is used for ongoing communication among the Committee members
- PDGA Europe websites are www.pdga-europe.com and www.pdga.com
- English is the official language of PDGA Europe.
- The contents of this document have been approved by the PDGA Europe Committee.

2. Goals of PDGA Europe are to:

- Strengthen and support the growth and expansion of disc golf throughout Europe through continued implementation of the PDGA affiliated country and international program
- Strive to ensure equality and fairness in decision making for both Scandinavia ("EuroNorth") and the southern European "EuroSouth" countries.
- Set tour standards for classification of PDGA-affiliated European events into appropriate tiers within the different countries.
- Set standards for classification of European players into universal Professional and Amateur divisions for competition in PDGA events in Europe and around the world
- Develop multi-lingual versions of standard PDGA documents, including the PDGA Rules of Play, the Official's Exam, informational and marketing flyers, as tools for the affiliated countries
- Assist in the introduction and development of disc golf into other European countries
- Increase the professionalism, and the marketability of PDGA EuroTour events to communities, businesses, and the media at the local, regional, and national levels.
- Support the growth of individual national disc golf associations through affiliation with PDGA Europe.
- Strengthen the PDGA brand as the global leader in organized/competitive disc golf

3. PDGA Affiliated Country

The cornerstone of the strategy for growing disc golf internationally is the building of partnerships between the PDGA, PDGA Europe, and the national disc golf (or disc sports) association(s), both at the country and at the continental level. At the country level, these relations focus on growing PDGA memberships and integrating tournaments into a global system of PDGA Tour events, with the National Associations retaining responsibility for all other domestic/in-country issues. At the continental level, the focus is on developing the PDGA EuroTour, PDGA Major events, the European Championships, the marketing of these events, and related event standards.

The following 13 countries are participating in PDGA Europe in 2010:

Austria, Belgium, Denmark, Finland, France, Germany, Lithuania, Netherlands, Norway, Russia, Sweden, Switzerland, United Kingdom.

The following countries are targeted for future affiliation with PDGA Europe:

Czech Republic, Estonia, Hungary, Iceland, Ireland, Israel, Italy, Latvia, Poland, Portugal, Slovakia, Spain.

All European countries are welcome to join and should contact the PDGA International Director or the PDGA EuroTour Manager for more information.

The basic criteria for being a PDGA affiliated country in 2010 are:

- The collection and submission of at least ten (10) PDGA memberships, including payment, to PDGAHQ
- The hosting of one (1) or more sanctioned PDGA Tour events in country, including adherence to PDGA event standards and the submission of timely event information, results, and fees

4. PDGA Country Coordinator

Each affiliated country has a PDGA Country Coordinator, as appointed by the national association, or in the absence of a national disc golf or disc sports body, by the current PDGA members in that country. The Country Coordinator serves as representative to PDGA Europe and the PDGA International Committee. The roles and responsibilities of PDGA Country Coordinators include:

- The promotion, and submission of memberships and membership fees using the forms provided by PDGAHQ
- The submission of event dates and event results to the PDGA International Director using the forms provided
- The management, tracking, and submission of the membership and event fees due from their country. All fees are sent to PDGAHQ in Georgia, USA, with the exception of EuroTour event fees which are sent to the PDGA EuroTour Manager.
- Participation in the PDGA Europe yahoo group discussions on current topics
- Country vote on any PDGA Europe and International disc golf topics requiring group decision
- Coordination of PDGA activity and promotion in country, including the distribution of PDGA Europe resources and tools to TDs and members (Guide to PDGA Europe, International Event Report, on-line scoring instructions, membership forms, officials tests, info on the benefits of PDGA membership, etc.).
- The handling of PDGA related requests from TDs and members in their country
- Communication with PDGA regarding country issues and priorities including reporting of any significant developments or breakthroughs, and identifying specific areas for PDGA support
- Annual updating of the information on country disc golf courses in the PDGA Course Directory
- The awarding of their country's national representative spot in the 2010 USDGC.

PDGA support and benefits to the affiliated country includes:

- individual membership benefits, including player ratings, as discussed below
- PDGA Tour calendar listings and event results posted at www.pdga.com and www.pdga-europe.com
- PDGA support packages and resources, including banners & event signage, merchandise samples, tour programs, course design, event management, marketing and sponsorship materials, etc
- translation of key PDGA literature, such as the "PDGA Rules of Play", Officials Test, and "What is Disc Golf" brochure, into local languages
- rights to use PDGA or PDGA-affiliated names and logos
- dedicated topical areas at www.pdga-europe.com and in the international section at www.pdga.com with linkages to events, country websites and other information

5. Affiliated Country Membership System

1. Each country association should have its own membership system with national fees and the option for members to pay for a PDGA Affiliated Membership. Countries that do not have a formal association or membership structure are encouraged to register their players as affiliated members with the PDGA, and to seek advice from other European countries and the PDGA in establishing a country association.

2. 2010 PDGA Affiliated International Membership Fees:

US\$30 Professional
US\$20 Amateur & Junior

- Receives PDGA member/tour card, sticker, information, rules book*, tracking of individual's player results and rating at www.pdga.com, the right to play in PDGA Tour events around the world, the right to play in PDGA Major events including the European Open, World Championships, and USDGC (subject to player qualification).

*The PDGA generally gives its members 1 rules book each time a new edition is published. New members receive the rules book as part of their membership. National Associations also can distribute copies of the rules book in their local language.

+ US\$10 New member discs

- For this fee a new first time PDGA affiliated member also receives a PDGA logo disc. All new members receive a PDGA logo mini disc with their member #.

+ US\$35 *Discgolfer* - PDGA Magazine

- Annual subscription (4 quarterly issues) sent by airmail.

- For 2010 the PDGA has launched a new Chain Reaction Refer-a-Friend Program, aimed at increasing membership. Current members who get their friends to sign up as new PDGA members earn a US\$5 credit at www.pdgastore.com for each new member they refer. For the international countries, these credits are awarded by filling in the recruiting member's PDGA# in the column provided on the affiliated country membership form. Note – credit is to be given to the actual recruiting member, it should not simply be given to the Country Coordinator on behalf of a country. For all the information on this program please go to www.pdga.com/chain-reaction-program.

- Each affiliated Country Coordinator receives a complementary magazine subscription and will be shipped an annual support package of PDGA and disc golf promotional materials in February or March.
- The PDGA international membership price structure remains lower than for USA members. This reflects the fact that most European players also pay a national association fee whereas in USA the PDGA is the national association. USA members also have more opportunities to compete in PDGA events and benefit from greater PDGA activity in USA. The next review of European membership prices will be determined by the first PDGA Europe Board of Directors.
- See Appendix 1 for the 2010 PDGA Europe membership forms
- See Appendix 2 "The Benefits of International PDGA Membership"

3. Standard Individual International PDGA Membership (available at www.pdgastore.com)

- The PDGA has members from around the world, including many non-affiliated countries where there are less than 5 and in some cases only 1 member. Any international disc golf player can therefore also pay for their membership directly with PDGA USA, by mail or on line. However this method of paying is not considered to be part of the affiliated country program. Therefore the prices are higher:

- Renewal with NO magazine - \$40
- Renewal with airmail magazine - \$75
- New member with NO magazine - \$40
- New member with airmail magazine - \$75
- These new member prices include the new member PDGA logo disc and mini.

7. PDGA Europe Country Classifications

- Within the different European countries, National Associations and disc golf activities are at different stages of development. This must be taken into account in building a continent wide system of events and event standards that is inclusive of and provides all countries with opportunities to participate.
- For 2010 the following classifications have been assigned, based on country history, including the numbers of players and their skill level, 2009 events and their size/success, and courses. Please see the 2005-09 PDGA International Demographics (Appendix 8).
- **Level 1** : Finland, Sweden
- **Level 2** : Denmark, France, Germany, Great Britain, Netherlands, Norway, Switzerland
- **Level 3** : Austria, Belgium, Lithuania, Russia, any other countries joining PDGA Europe in 2010
- These country classifications are reflected in the following sections of the document.

8. Leading Disc Golf Events in Europe

A. European Disc Golf Championships

- The European DGCs are managed jointly by the event hosts and by the European DGCs Committee, which is a sub-Committee of PDGA Europe, on behalf of the National Associations. Entry is restricted to qualifying European citizens and residents.
- The next European DGCs will be held in Pas-de-Calais, France, August 26-29, 2010.
- The PDGA has granted a limited waiver to this event: PDGA Pro players who meet the age requirement may compete in Youth and Junior divisions at the ECs.
- For more information on the 2010 European Championships please visit www.ec10.fr .
- The bid deadline for the European DGCs is November 30 two years prior, i.e. Nov 30, 2010 for the 2012 ECs.

B. Scandinavian Open

- The Scandinavian Open, hosted by the Skellefteå Disc Golf Club, will once again be the PDGA Tour Major in Europe in 2010.
- For more information on the Scandinavian Open please visit www.sodiscgolf.com .

C. European Open

- For the past few years the European Open in Tampere, Finland, hosted by Jussi Meresmaa, has rotated with the Scandinavian Open as PDGA Europe Major. This event is expected to be held again in 2011.
- See www.opendiscgolf.com for more information on the European Open.

D. USDGC Qualifiers

- The following four (4) events are the European Qualifiers for the 2010 USDGCs. Copenhagen Open, British Open, Scandinavian Open, European Championships. At each of these events the top 5 players based on score who have not already qualified will earn USDGC spots. Players in divisions other than MPO may qualify for these spots provided they play the exact same layouts as MPO through regulation play and where possible through event finals.
- Additionally, each PDGA Europe affiliated country is allocated one (1) USDGC country position, the awarding of which is to be determined by the Country Coordinator

E. Comments

- 2010 PDGA event sponsorships will be: Scandinavian Open \$2000 & European DG Championships \$1000.
- The evolution of a set of leading European events must allow for potential Tour Major events to develop in the EuroSouth to ensure balance. PDGA may also restrict the number of Major events worldwide in future, and add a new Championship event designation.
- In order to be considered for Tour Major status, the following is required:
 - i. The submission of a detailed proposal demonstrating how the event will be of a very high standard in all aspects, including management, marketing, sponsorship, courses, player field, purse, hotel, food, and other amenities. This proposal must be received by June 30 one year prior to the event, ie June 30, 2010 for a 2011 Major event.
 - ii. In-depth review and approval of the proposal by PDGA Europe and by the PDGA Board of Directors.

9. 2010 PDGA EuroTour

c. 2010 PDGA EuroTour Points & Bonus System

- A €5 per player fee is collected at EuroTour events. These fees go towards the EuroTour player bonuses and trophies (+/- 2/3), and the management of the PDGA EuroTour and PDGA Europe website (+/- 1/3).
- In order to qualify for the bonuses, pro division players must compete in and complete at least 1 EuroTour event in both the EuroSouth and the EuroNorth.
- For players in the MPO, FPO, and MPM divisions the top 5 event points will be counted towards their overall EuroTour position and the bonus payouts. These top 5 events must include at least 1 event from both the EuroSouth and the EuroNorth.
- For players in the MPG, MPS, and MJ1 divisions the top 4 event points will be counted towards their overall EuroTour position and the bonus payouts. These top 4 events must include at least 1 event from both the EuroSouth and the EuroNorth.

Points System:

The EuroTour points system awards 150 points to the winners in each pro division, and descending amounts of points based on division and place of finish. Please see the 2010 EuroTour points table for the specific numbers of points awarded in each division to each position.

The maximum # of points an MPO FPO or MPM player can obtain is 750, based on 1st place finishes at 5 EuroTour events. The maximum # of points an MPG, MPS, or MJ1 player can obtain is 600, based on 1st place finishes at 4 EuroTour events.

Points will also be tracked for MA1 division as a courtesy for MA1 competitors.

The latest EuroTour points standings will be posted shortly after each event at www.pdga-europe.com.

Tiebreakers for final position will be decided based first on points earned in head to head play, then on the basis of comparative scores in head to head play, and if necessary by further review of each players cumulative and comparative EuroTour results.

Players who qualify to compete in more than 1 division can register in their division of choice for each ET event. ET points are awarded based on the division a player actually competes in.

ET points earned in different divisions cannot be combined into one division.

Exception: If a player registers in a division that is not held due to insufficient entries, the TD and player will determine what division the player is to be assigned to for the competition. However in the TD report the player shall be listed as having competed in his/her division of choice, and ET points will be awarded to the player accordingly.

Bonus System:

The top 10 MPO, the top 3 FPO, and the top 3 MPM will be paid EuroTour bonuses, amounts to be determined based on the amount of sanctioning and player fees received from EuroTour events. Trophies will also be awarded to the top EuroTour finishers in MPO, FPO, MPM, MPG, MPS, and MJ1 divisions only.

d. 2010 EuroTour Event Player Qualification & Registration:

- Events must be open to all PDGA members - both players from European countries and overseas players.
- All players must be current PDGA members in order to play in the event.
- While each event may decide its own registration procedures, it is recommended that player registration begin 3 months in advance to ensure consistency in process and player expectation.

- Events must offer registration in the 6 divisions for which EuroTour points are officially awarded, namely Open (MPO), Women (FPO), Master (MPM), Grandmaster (MPG), Senior Grandmaster (MPS), and Junior (MJ1).
- 24 spots are reserved until 2 months prior to the event for 2010 PDGA EuroPros (see Appendix 5), meaning the first 24 EuroPros to complete and submit the event's registration form.
- Up to the next 24 spots are held until 2 months prior to the event for host country Pro division players with player ratings of 900+ (men) and 800+ (women) - provided there are sufficient host country players who meet this criteria - meaning the first 24 (or less) of these players that complete and submit the event's registration form.
- 10 spots should be reserved for Pro Women players
- EuroTour events who wish to include Amateur and/or more Junior divisions should ensure that an appropriate number of places are reserved for them. These reserved places can be filled early in the event registration process. Otherwise, registration for these divisions should begin no more than 2 months prior to the event, or when the Pro player quota has been filled, whichever comes first.
- There will be between 4 and 16 wildcards (calculated as total player field divided by 18) for the host TD to give to players of their choice. These spots are reserved until two weeks before payment deadline, and must then be released as "normal" registration places, if not used by this date.
- It is recommended that EuroTour host TDs and EuroTour host country players be members of their national association
- Players will only be finally registered in an event when they have met the above listed requirements and their entry fee has been received by the host event. In this case, registered means a guaranteed place in the event.
- Players will keep their reserved places in the event, until the payment deadline is reached. If the total player field has been filled by reserved players prior to the payment deadline, a waiting list should be created. The waiting list will be sorted by registration date, unless it is more than 2 months prior to the event, when EuroPros and host country Pro players could still have places held.
- While each event may decide its own registration procedures, the payment deadline should be 3 to 4 weeks prior to the event, in order to give waiting list players sufficient time to make their payment.
- Refunds of entry fees for players who withdraw from an event after payment has been completed are at the TD's discretion
- The flow of an event registration for all players is:
 - Reservation of a place (until registration deadline) upon completion and submission of the event registration form
 - Payment of event fee before payment deadline to guarantee a place in the event
 - Payment of event fee for waiting list players (before waiting list payment deadline) to guarantee a place in the event
 - A player's PDGA membership must be verified as current (paid) before tee off. It is the responsibility of each player to provide proof to the tournament center desk, by presenting their 2010 PDGA membership card or printed evidence of membership paid from the PDGA website or their National Association

e. EuroTour Event Standards

- Minimum 3 rounds of 18 holes for all players
- For the Finals, each EuroTour TD will determine prior to their event, and announce at the player meeting, which of the following formats will be used in the Final Round following regulation play:
 - a. 9 holes, shotgun start = 36 players in 4somes
 - b. 9 holes, staggered start = 36 players in 4somes
 - c. 18 holes, shotgun start = 72 players in 4somes
- Each final group should consist of 4 players. Each division with 3 or more players should have players advance to the finals. If necessary the smallest divisions can advance 2 players each to make one foursome;

- For the larger divisions at least 25% of the total number of players in each division should participate in the final, rounded up to make foursomes. Examples: a 25 player division would qualify at least 8 players (2 foursomes) for finals; an 87 person division would qualify at least 24 players (6 foursomes).
- It is the TD's choice whether or not to let tied players play the final or if the players should be separated by tie-breakers.
- The following are recommendations for event awards ceremonies, in the interest of attracting many of the players and spectators while still ensuring them a good departure time. Awards will be organized in advance, will start within 15 minutes of the completion of Finals, and will last no longer than 15-20 minutes. Only the trophy winners should be announced, with a separate table set up for players to collect their envelopes and prizes. While the pro payout and amateur prizes should be distributed as much as possible at the event it is up to each TD to determine how they will handle the payout, including the use of post event payment systems such as wire transfer and paypal.
- Event results, using the PDGA provided International Event Report form, are to be submitted to the PDGA International Director, and the EuroTour Manager no later than 1 week following the event.
- Tournament Director must be a non-playing staff member who is a current PDGA member and who has passed the PDGA Officials Test (certified PDGA official).
- € 100 PDGA EuroTour Sanction Fee.
Sanctioning Agreement and Fee submitted to the PDGA EuroTour Manager 3 months prior to event
- €5 PDGA EuroTour Player Fee required to be collected from every Pro, Amateur, and Junior player by the Host as part of entry fee, player fees received by PDGA EuroTour Manager within 1 month following event.

f. Tier Standards

The PDGA Europe Committee has set the following standards and expectations for the different tiers (or levels) of events. For the continental showcase EuroTour events, these standards are expected to be closely followed or exceeded.

If an event or TD does not agree with certain standards or Rules, he/she may appeal, through their Country Coordinator, to the PDGA Europe Committee for a waiver of the condition(s) in question.

Beyond these standards, the philosophy of the PDGA is that any sanctioned event that is well organized, and that provides its player-customers with a solid competition, and a generous return on their entry fees, is more than acceptable. Host clubs and TDs should also be able to show a profit within reason, especially where their efforts have resulted in significant event sponsorship.

The PDGA reviews but does not micro-manage its Tour events. The PDGA will only get involved when events fall significantly below standards or fail to respect the Rules of Play, when it receives complaints about an event from its member-players, or when an event is late in submitting its report and/or fees.

A Tier:

- € 100 sanctioning fee, €5 per player fee. All EuroTour event fees are sent to the PDGA EuroTour Manager.
- 90+ pro player field expected, 72 pro player minimum capacity.
- Courses groomed for event including fairways cleaned, course event and tour signage, banners, etc on display
- € 4000 minimum pro payout including € 500 minimum sponsor cash added
- 80%+ of net entry fees & sponsor cash paid out, minimum 33% of players in each division paid out
- Trophies to at least Top 3 in MPO division, the FPO winner, and to winners of all other divisions with at least 4 players
- Complete event results posted on-line at end of each day

B Tier:

- € 100 sanctioning fee, €5 per player fee. All EuroTour event fees are sent to the PDGA EuroTour Manager.
- 60 pro player & 72 total players minimum capacity
- Courses groomed for event including fairways cleaned, course event and tour signage, banners, etc on display
- € 2000 minimum pro purse including € 250 minimum sponsor cash added
- 80%+ of net entry fees & sponsor cash paid out, minimum 33% of players in each division paid out
- Trophies to at least Top 3 in MPO division, the FPO winner, and to winners of all other divisions with at least 4 players
- Complete event results posted on-line at end of each day

10. 2010 PDGA EuroChallenge Tour

a. Overview

- o The EuroChallenge Tour consists of all other PDGA sanctioned events in Europe
- o While the promotion of national and PDGA memberships is always encouraged, it is the responsibility of the host association to determine the membership requirements, if any, of participating in their EuroChallenge events. The PDGA does require that out of country current members, who sign up on time to secure a position in a EuroChallenge event, be allowed to participate without paying any extra fees.
- o Affiliated countries will determine which of their other national events they wish to sanction with PDGA, and the tier levels for these events, following the guidelines below.
- o These events receive the standard benefits of PDGA sanctioning including listing on the PDGA Tour calendar, calculation and publication of player statistics and ratings, etc.
- o For 2010, EuroChallenge Tour events are to submit a sanctioning fee of A Tier - US\$ 75, B Tier - US\$ 50, C Tier - US\$ 25. These fees are collected by PDGAHQ, and cover the costs incurred in servicing events and in generating player statistics and ratings.
- o In order to be listed in the PDGA Tour calendar, the event sanctioning fee must have been received by the Country Coordinator or by PDGAHQ.
- o Tournament Director must be a current PDGA member, it is also strongly recommended that he/she have passed the certified PDGA official's test.
- o EuroChallenge Tour events can apply for promotion to EuroTour in future years based on performance

All EuroChallenge Tour events must meet the following timelines:

- o 1 month prior to event: submission of event Sanctioning Fee to PDGA Country Coordinator for sending on to PDGAHQ.
- o 1 month following event: submission of electronic PDGA event report including scores, payout, courses played, and other details to Country Coordinator and to PDGAHQ.

b. Tier Standards

The PDGA Europe Committee has set the following standards and expectations for the different tiers (or levels) of EuroChallenge Tour events. If an event or TD does not agree with certain standards or Rules, he/she may appeal, through their Country Coordinator, to the PDGA Europe Committee for a waiver of the condition(s) in question.

The requirements for EuroChallenge events are designed to accommodate the standards and norms used by each country in their national/domestic series, and in their local level events. It is up to each Tournament Director to ensure that prevailing national standards are met.

A Tier - All Countries:

- o US\$ 75 sanctioning fee, sent to PDGA Headquarters.

11. Event Entry Fees and Payout Standards

Calculation of Entry Fees

- PDGA Europe events and TDs are requested to follow the flexible table below in determining their entry fees. This will help to build consistency in events and player experience in your country and across Europe.
- Please note this table shows total entry fees. From these amounts certain items may be deducted, leaving the NET ENTRY FEES referred to in the Tier Standards above. These deductions include:
 - a. PDGA EuroTour event player fees - €5 per player (all divisions)
 - b. Host country association and/or local club fees
 - c. Host park, land owner, and/or municipal authorities fees (green fees)

2010 PDGA EUROPE - RECOMMENDED TOTAL ENTRY FEES					
EuroTier	Open	Women	Master/GM	Amateurs	Juniors
EuroTour A Tier	€ 60-100	€ 60-90	€ 60-90	€ 30-50	€ 30-50
EuroTour B Tier	€ 40-80	€ 40-70	€ 40-70	€ 20-40	€ 20-40
Challenge Tour A Tier	€ 40-70	€ 40-70	€ 40-70	€ 20-40	€ 20-40
Challenge Tour B Tier	€ 20-50	€ 20-50	€ 20-50	€ 10-30	€ 10-30
Challenge Tour C Tier	€ 0-30	€ 0-30	€ 0-30	€ 0-20	€ 0-20

Calculation of Event and Divisional Payouts

- The minimum amounts and %s of players to be paid out at EuroTour and EuroChallenge events by Tier are described in Sections 9 and 10 of this document.

Example:

The payout standards for a EuroTour B tier event are:

- € 2000 minimum pro purse including € 250 minimum sponsor cash added
- 80%+ of net entry fees & sponsor cash paid out, minimum 33% of players in each division paid out
- For a EuroTour B tier with € 400 sponsor cash and 50 pro players paying a net entry fee of € 50 the calculation of the minimum purse is therefore $(€ 400 + € 2500 = € 2900) \times 80\% = € 2320$.
- The remaining % of net entry fees and sponsor cash (in the above case this = 20% or € 580) should also go to the purse, to the extent this is reasonably possible. However these funds, in particular sponsorship monies, are also for the TD and the host club to use in covering their other costs (trophies, pro player packages, food and drink provided free to players, and other event organization costs), and even in making a small profit.
- PDGA Europe events and TDs are also expected to follow the 2010 PDGA International Payout Table (see Appendix 4) in determining the payouts for each division at their events. This table provides payout schedules and curves for the top 25%, 33%, and 40% of players within a division. This table is also built into the International Event Report form, as a tool for assisting TDs with their payout calculations. Please see the Table for the payout curves used and for an example of a division payout calculation.
- At all PDGA Europe events each Pro division is to receive its proportional share of the net entry fees in the purse.
- In regards to the allocation of added money, it is recommended that this be divided among all pro divisions, but that MPO (top players) and especially FPO (small division of top women players) receive a greater share on a per player basis. For example, a Euro event payout could include € 5 added per MPO player, FPO € 10, and other pro divisions € 3 per player.

12. Rules of Play including Tiebreakers

- All PDGA Tour events and Tournament Directors acknowledge that they are familiar with and agree to follow the official PDGA Rules of Play. The 2006 Rules of Play remain in effect for 2010.
- The decision to apply the 2 meter rule rests with the National Associations and with each event Tournament Director. National Associations may declare whether the 2 meter rule will be applied or not applied at all PDGA events in their country. In the absence of such a declaration, the decision will rest with individual TDs, who must announce their decision at the players meeting or in the event information. Where no announcement is made the 2 meter rule will NOT be in effect.
- The following PDGA policy and clarification to Rule 804.05 is a requirement of all 2010 PDGA Tour Events: Any player who uses an illegal substance, or any other substance forbidden by park or course rules, during his or her play (from the 2-minute warning through submission of his or her scorecard) shall be disqualified from the event. This standard applies equally to underage consumption of otherwise legal substances, as well as to substances illegal for use by all. This standard also extends to venues where alcohol is otherwise permitted: in such cases there must be a course or event rule in place making the use of alcohol during play illegal. In summary, the use of alcohol and illegal substances will not be tolerated during competition. TD's are to report any and all such disqualifications: i) at EuroTour events to PDGA Europe, and ii) at PDGA EuroChallenge Tour events to the host National Association.

Tiebreakers

- Playoffs for first place in any division must be used to determine the winner. These playoffs will typically begin on hole 1 and last as long as needed to determine the winner. First place cash/prize value must be awarded to the division winner and listed in event results.
- Players tying for top 3 or other trophy positions are deemed to have tied and must split cash/prize value for the positions in question. These players may playoff or use another means of determining trophy winners but must show as finishing tied in the official event results.
- For EuroTour event semi finals and finals: All ties after regulation play that extend beyond the number of spots allocated for a division must be broken before semi-final or final play begins. For example, after regulation play, if there is a 3 way tie for 4th place in MPM division, these 3 players must playoff for the last spot in the MPM Final, with the 2 playoff losers finishing tied 5th. Due to time restraints it is recommended that these sudden death playoffs for semi final and final places be no longer than 3 holes, and that a CTP (closest to the pin) on a pro par 3 hole then be used to break any remaining ties. The holes to be used in these playoffs, including a CTP hole, as well as in any playoffs to determine champions should be identified in the tournament information provided to players.

13. Acknowledgement of Standards and Rules

All PDGA Europe events and Tournament Directors acknowledge that they have read and agree to follow the 2010 PDGA Europe standards outlined in this document.

14. PDGA Europe Disciplinary Guidelines

The following Guidelines have been adopted from the British DGA to provide the Disciplinary Committee with a set of rules for dealing with complaints against Players or Tournament Directors (TDs). They also provide a guide for Players and TDs, such that they know what to expect from the Disciplinary Committee as regards disciplinary action, whether they are the alleged offender or complaining member.

The Disciplinary Committee shall be formed of the PDGA Europe Country Coordinators, plus the PDGA International Director.

Offences

Including (but not limited to):

1. Bringing the Sport into disrepute (Players or TDs)
 - (a) Abusive or threatening behaviour towards members of the public.
 - (b) Abusive or threatening behaviour towards players, officials or TDs.
 - (c) Malicious damage of the course, course facilities or course equipment.
 - (d) Reckless endangerment.
2. Failure to observe Tour Guidelines (TDs)
 - (a) Event standards.
 - (b) Correct Finances.
 - (c) Result Reporting.
 - (d) Payment of Tournament fees.

Complaints Time line

As soon as a written complaint (mail or email) is made about any player or TD (whether behavioural or rule-based), the Disciplinary Committee should:

1. Within 14 days, consider whether it is sufficiently serious to merit further investigation. If not, then the complaining member should be informed and given reasons for the matter not being pursued. Otherwise, if the matter merits further consideration,
2. Seek further corroborative evidence over the following 14 days, and
3. Put the allegation to the alleged offender and request a response within 14 days, then
4. Decide (within a further 14 days) if sufficient evidence exists for the complaint to be upheld, and if so
5. Issue an appropriate sanction immediately.
6. Where appropriate, publicise the nature of the complaint and the sanction imposed to the PDGA membership.
7. Be willing to hear an appeal from the offender, but only upon production of new evidence.

Full written records should be kept of the investigation and decisions made, in case of any formal legal challenge.

In the case of extenuating circumstances (e.g. illness, holiday etc.), the time limits specified within this section may be extended at the discretion of the Committee.

Sanctions

At the Disciplinary Committee's discretion, depending on the severity of the offence, the following sanctions may be applied to players or TDs:

1. Informal warning
2. Formal warning
3. Suspension from competing in or directing PDGA sanctioned events

Each of the warnings carries a probationary period, one year for an Informal warning, two years for a Formal warning, and three years for Suspension. Repeat or additional offences during a probationary period results in an escalation to the next sanction (i.e. 1->2, 2->3).

Prior conduct will be taken into account in determining the appropriate level of disciplinary action.

In addition, further sanctions (e.g. Financial/restitutionary) may be applied at the Disciplinary Committee's discretion.

Voting

A majority vote is required by the Committee, both in relation to the evidence presented and the extent of the sanction imposed.

Special Cases

A Committee member complained against should not take part in the complaints or voting processes. A substitute Committee member shall be nominated by the remainder of the Committee.

The Benefits of PDGA International Membership

Part 1: What is the PDGA?

The Professional Disc Golf Association (PDGA) is an international not-for-profit organization based in Georgia, USA. Founded in 1976, the PDGA is run by its member-players, and serves as the governing body for the sport of disc golf.

As a primary stakeholder in the growth and development of disc golf, the PDGA partners, supports, and works with National Associations, disc golf clubs, parks departments, Tournament Directors, manufacturers, retailers, promoters, and the media.

The PDGA is based on an annual membership and tournament system. In 2009, the PDGA had 14000 active members, and sanctioned more than 1000 competitive disc golf events for men and women of all age groups and skill levels. Each year the PDGA Tour includes hundreds of local and regional events, the season-long National Tour and EuroTour Series, the PDGA Professional and Amateur Disc Golf World Championships, the USDGC, and other Major events.

Traditionally focused on the USA and Canada, PDGA activity in other countries has been growing exponentially since 2005, when the International Program was introduced. Today there are more than 1200 PDGA international members and 150 Tour events in Europe, Japan, Taiwan, Australia, and New Zealand. Elsewhere, in Latin America, South Africa, China, and other corners of the globe where disc golf is beginning to take flight, the PDGA serves as a resource base for building the game at the grassroots level.

The PDGA has a staff of five, led by the Executive Director, who is appointed by and reports to the volunteer Board of Directors. Part-time Consultants are also used on specific projects including the International Program. The seven person Board of Directors are elected by the membership and serve two year terms. Throughout its brief history the PDGA has relied heavily on a large cadre of dedicated volunteers – the Tournament Directors, the Committee members, and so on - and it is these committed volunteers who are the real backbone of the organization and the sport.

Part 2: Benefits of PDGA Membership

There are many benefits of being a current PDGA member. Some are direct benefits to the individual, while others are more indirect, and reflect the growth of the sport as a whole.

The direct benefits of PDGA membership include:

1. All renewing members receive a basic membership package including current year membership card, annual tour/member information, PDGA logo bag tag and sticker.
2. New, first-time members also receive lifetime member #, new member disc and mini, and the latest rules book. Renewing members receive a complementary copy of the rules book whenever a new edition is printed.
3. Current members are eligible to compete in all levels of PDGA Tour events where they earn points towards invitations to Major events including the PDGA World Championships. PDGA members track their tournament season and career results at their own personal stats pages at www.pdga.com .

4. PDGA members also gain their own very cool player rating, based on their round by round performances at Tour events. The PDGA Ratings system measures a player's ongoing level of play, enabling them to compare their game with friends and rivals, and with the best disc golfers in their country and around the world.
5. Current members also have the option to receive the informative PDGA e-newsletter (free), and to purchase a subscription to the PDGA magazine
6. Participation in the members only Disc-cussion Board at www.pdga.com
7. Merchandise discounts at www.pdgastore.com and www.idgcproshop.com

PDGA Member fees are also used to support many other activities and programs – the indirect benefits of membership – including:

1. The development, maintenance, and innovations to the PDGA database and websites.
2. The on-line and printed worldwide Course Directory which now has more than 3000 listings in 30+ countries.
3. Live hole-by-hole coverage of Major and National Tour events at www.pdga.com .
4. The work of the PDGA Committee members who review and revise the Rules of Play, test and approve discs and baskets for sanctioned play, develop the Tour and competition standards, oversee the course and player ratings system, and examine other important aspects of disc golf from the environment to how to grow women's play.
5. The marketing of disc golf to the public, sponsors, and the media, including the National Tour (USA/Canada) and EuroTour (Europe) Series, print materials such as the Tour Program and Tour posters, photography, and DVDs on disc golf instruction and leading events.
6. The International Program, which is strengthening and supporting the growth of disc golf and the PDGA brand in 18 affiliated countries in Europe, Asia, and Oceania. Beyond providing sanctioned PDGA Tour events and the benefits of membership, the International Program is fostering the globalization of the Rules, competition formats, and other standards, and is increasing international play. The Rules of Play and other key PDGA information are also being translated into and published in other languages. This Program is steered by the International Director and by the PDGA Europe and Asia/Oceania Country Representatives, as appointed by each participating country's national disc sports or disc golf governing body.
7. The International Disc Golf Center, in Wildwood Park, Columbia County, Georgia, which opened in April 2007. A fabulous resource and headquarters for the sport, the IDGC is home to the Disc Golf Hall of Fame, the Steady Ed Headrick Museum, the PDGA offices, and 3 world class courses.
8. The PDGA's fulfillment house partner, where direct mailings, memberships, TD, country and volunteer support packages, merchandise orders, world's invitations and player registration, and many other items are assembled, mailed out, received, and processed.

All these PDGA activities and programs build credibility for disc golf and contribute to the formalization and growth of the sport. In short, as a PDGA member you enjoy all the direct benefits of membership as listed above, while also supporting and promoting the development of the sport and the PDGA around the world.

Join the PDGA today! It's a great deal for you AND for disc golf!

2010 PDGA EuroTour Points System

Event Points System

See tables below for points awarded at each EuroTour event and the curves applied.

Tables = top 58 MPO, top 19 MPM, top 10 other divisions (FPO, MPG, MPS, MJ1, MA1 etc), plus other players in these tracked divisions.

Ties split the points in question, rounded to nearest 1/2 point.

Zero points awarded to players who do not complete an event.

End of Season Points Tiebreakers

Where 2 or more players are tied for bonus cashing positions in the overall EuroTour points standings then the tie(s) shall be broken by totaling the EuroTour points earned by each player at events where they competed head to head. Any remaining ties shall be broken by comparing the players' actual scores during the same head to head competitions.
